# Update on Viwentiaa 2026 Tech-Fest Preparations

**Subject:** Update on Viwentiaa 2026 Tech-Fest Preparations

Dear Professor,

I am writing to provide an update on the preparations for KLH Bachupally's annual tech-fest, Viwentiaa 2026. So far, the organizing committee has completed the initial planning, divided the responsibilities among the team members, and started coordinating the activities and events. We have also worked on the event schedule and discussed the requirements for the different technical and non-technical activities. At present, we are focusing on completing the remaining arrangements, finalizing the event details, and coordinating with the participants and volunteers. We expect to complete the remaining preparations before the event. I will keep you updated if there are any changes or issues that need your attention. Please let us know if there are any additional instructions or tasks that you would like us to complete.

Thank you for your guidance and support.

Regards,

G. Kalyan Ram
Organizing Committee
KLH Bachupally
